

HIKES IN THE PUENTE CHINO HILLS

WILDLIFE CORRIDOR

(UPDATED SEPT 23, 2016)

Join us on these hikes and become familiar with everything our hills have to offer. The Puente-Chino Hills Task force (PCHTF), a group within the Sierra Club, organizes the hikes. The PCHTF is working towards the preservation of the Wildlife Corridor as an island of beauty and biological significance in a sea of urbanization. The hikes should appeal to people who want to stay in shape, are eager to enjoy the outdoors, and want to know more about their hills and wildlife.
